

Cow Pie Bingo Rules

1. Persons must be 18 or older to purchase a ticket and/or win a prize.
2. Player/Ticket holder need not be present to win.
3. Player/Ticket holder is responsible for all associated fees/taxes.
4. No tickets will be sold after the event begins.
5. Numbers will be randomly assigned as each ticket is sold. Buyers will receive their numbers by email. Those who purchase multiple squares will not necessarily have their numbers in sequence—they will be randomly drawn. The names of ticket holders will also be posted to a spreadsheet with 400 numbers to be available for viewing at Tom Boyce Park Sep 9th, the day of the contest, at noon.
6. The actual grid area will be clearly marked with all squares being of equal shape and size, 18" x 18", and the area protected with a barrier or fence. Spectators/ticket holders must not interfere with the progress of the event.
7. At 1:00 pm on September 9, 2017, a cow will be led into the grid area by an appropriate handler and let free to roam within the area until a cow pie is placed on a square or the time allotment of 3 hours has expired. Upon completion of a cow pie or time allotment, the independent judges (who are not allowed to participate in the raffle) will determine the results. If there is no cow pie by 4 pm, the winner will be determined by a drawing.
8. If there is more than one distinct cow pie, the one containing the biggest volume will determine the prize winners. If that pie lands on a border between squares, the prize will be divided among the squares that are affected. (So, if it lands on a corner intersection, the prize may be divided four ways.)
9. If the contest must be called for torrential rain or lightening the winner will be chosen by a drawing.
10. Any disputes or claims must be registered with the judges.
11. The results or decision of the judges will be publicly posted.
12. The organization must post the "Rules" so all participants understand the conduct of the event.
